Pietanic was born in 2014 from a passion to revive the classic British pie and an excitement for the emerging street food scene.

We started life by swapping a bar tab for a beat up old ice cream van with no engine. One DIY conversion and a lot of cooking later, we were ready for our maiden voyage... After losing a wheel en route and getting towed to the event, we sold out! Feeding over 200 hungry pie lovers. Pietanic was in business.

Claude (our 1969 Citroen H Van) joined the team in 2016. Since then we have travelled all over the UK, from music festivals, International Cricket, Premier League Football and Premiership Rugby to hundreds of amazing weddings and corporate events.
